Company Overview: B. Ventures LLC, led by owner Kelli Wilson Bigelow, was established as a federal government contractor in March 2021 as a necessary career pivot to address the pandemic impact on employment. The company secured its first contract as a subcontractor in October 2021, providing core services to the EPA Office of the Chief Financial Officer (OCFO) for three years. As a Minority Woman-Owned business, B. Ventures is actively expanding its contract portfolio, secured HUBZone designation this year, and actively pursuing SBA WOSB and MBE certifications.
